

REFILL IN YOUR NEIGHBORHOOD

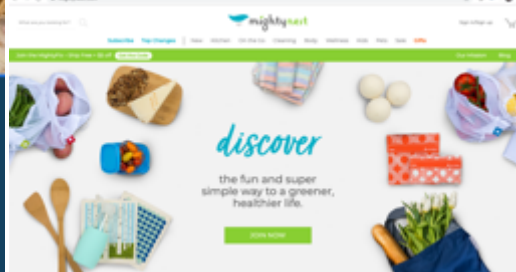

What is the latest trend in your neighborhood (or online) stores & shops for reusing, recycling and refilling to reduce plastic waste? For inspiration, check out the following stores (shops & online stores):

STEPS

1. Survey your neighborhoods & shopping spots to see if similar companies exist. For store visits, interview the owner. **Visit Good Bottle Refill Shop** if you are in Maplewood/Millburn neighborhoods!
2. As an alternative, do some online search to see what companies are out there (feel free to visit ones listed above).
3. Create a blog about your search on www.edfordsd.org.

- You can post a summary of your **interview discussions** with the owner, or
- You can purchase products and **“Write a Review”**, or
- You can create a **“List of Resources”** of what you find online, or

We will pair this activity with a New Year’s Resolution on a group video call.

Be on the lookout for details on that on www.edfordsd.org !
